

RESOLUTION NO. 25-006

A RESOLUTION OF THE SANIBEL FIRE AND RESCUE DISTRICT TO PURCHASE THE APPLIANCE PACKAGE FOR STATION 172.

WHEREAS, the Sanibel Fire and Rescue District (the "District") recognizes the need to provide a complete appliance package for the newly constructed Fire Station 172; and

WHEREAS, the District conducted a competitive bid process in compliance with its procurement policy, receiving three bids for the required appliance package; and

WHEREAS, the District has reviewed the submitted bids and has determined that Fuse Specialty Appliances provided the most competitive and responsive bid, meeting the requirements of the District; and

WHEREAS, the total cost for the appliance package, as awarded to Fuse Specialty Appliances, is \$30,260.14.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the Sanibel Fire and Rescue District that:

The appliance package for Fire Station 172 is hereby awarded to Fuse Specialty Appliances for the total amount of **\$30,260.14**.

1. The competitive bid process adhered to the District's procurement policy, ensuring fairness and fiscal responsibility.
 2. The Fire Chief is authorized to enter into a contract with Fuse Specialty Appliances for the purchase of the appliance package, not to exceed the stated amount.
 3. Copies of the bids and supporting documentation are included in the resolution packet and available for review as part of the official record.
 4. This Resolution shall take effect immediately upon its adoption.
-

Commissioner _____, who moved for its adoption, offered the foregoing resolution. The motion was seconded by Commissioner _____, and upon being put to a vote, the vote was as follows:

JERROLD MUENCH: _____ BRUCE COCHRANE: _____ RICHARD MCCURRY: _____

Done and adopted by the SANIBEL FIRE AND RESCUE DISTRICT BOARD this 15th day of January 2024.

Chairman, "Jerry" Jerrold Muench

Vice Chairman, Bruce Cochrane

Secretary/Treasurer, Richard McCurry

Attest, Fire Chief Kevin Barbot

- Unless paying for installation (excluding gas appliances), appliances being hauled away must be disconnected and uninstalled prior to delivery.
- Deposit/Payment on order does not imply Fuse is physically holding product in its warehouse. **Payment in full and a 21-day lead time is required before delivery.**
- Please inspect product condition within 24 hours from delivery for physical defects/shipping damage.
- Seller is not responsible for shipping delays, backorders, or price increases due to causes beyond our control.
- If a price increase is issued by the manufacturer, client will have 30 days to accept delivery of the goods at the agreed upon price without being affected by the price increase. Failure to accept delivery within 30 days will revert order to the then "in effect" price.
- Customer is responsible to ensure all tradespeople associated with their project have product specifications and are made aware of any changes.

PREPARING FOR DELIVERY

Your satisfaction is our expectation for ourselves. This document is intended to present details about our service and delivery to ensure that your experience is as pleasurable as possible. Taking time to read this will minimize errors.

OUR ROLE

- Standard Delivery of a new unit. Standard delivery refers to first floor deliveries for buildings or residences without elevator access.
- Removal of an existing disconnected unit on a one for one basis.
- Normal installation of electrical appliances to existing spaces. Installation refers to washer and dryers (not stacked or on pedestals), electric freestanding (anti-tip bracket installation is an additional charge) ranges and refrigerators connected to existing standard services. Please be aware that it is a fire hazard to install dryer vents to plastic duct. Customer installations are at an additional charge but do not include gas installations, modifying cabinets, countertops or hard-wired electrical appliances.
- Within 24 hours of your delivery date, you will be notified with a window of time that your delivery is expected to occur.
- Removal of the old unit will not be performed if it is laden with grease, oil, and/or pests of any type. We cannot be held responsible for damage caused by removal of old appliances. Fuse will not relocate appliances within the home.
- Fuse Specialty Appliances uses sub-contractors to install an uninstall gas or hard-wired electrical appliances as well as other work related to appliance installation and delivery. They are not authorized to perform alterations to cabinets or countertops nor are they authorized to install any appliance in a manner other than in compliance with manufacturer guidelines and local codes.

YOUR ROLE

- Measure all doors, hallways and staircases to assure that your appliances will fit. We cannot alter or exchange doors, door trims, or moldings.
- To protect your property and our delivery personnel, we require safe access into your home. Please make sure that all paths and walkways are clear of debris and in safe working condition.
- To prevent damage to your property and for the health of our delivery team, we cannot remove any appliance containing grease, oil or pests of any type. This also includes any biohazardous material.

PRICING

Appliances are made of materials that are seeing significant changes in price that make it unable for us to accurately predict pricing changes. In the case of price increases, you will need to accept delivery within 30 days of the effective date of that price increase to maintain previous pricing or within 60 days of the date of the order.

Additional Terms as well as our Privacy Policy can be found at www.fusespecialtyappliances.com

Product returns (if approved) must be made within 15 days of the date you receive your order. Product must be in brand new uninstalled condition. Previously installed, special order or special modifications cannot be returned under any circumstances. All accessories, clean instruction books and warranty card must be returned. Product that does not meet the criteria or has been used may not be returned. Fuse reserves the right to decline to an exchange or accept the return of ANY product other than the product that is initially defective after the 15 day period. Refunds for products being returned will be issued only once the products are received back to Fuse and meet our product return criteria listed. **Product that does not fit will be subject to additional return and shipping/delivery fees and in some cases significant restocking charges can apply.**

OUTLET & FLOOR MODELS

All items must be paid in full and delivered within 7 days of date of purchase. All items are sold as is, all sales final, no returns, refunds and no layaways. If upon receiving the item and unit is refused by customer for physical damage or if Fuse determines that the unit is non-repairable. Fuse will issue a refund for the purchase price of the unit only.

-We require 48 hours' notice of any changes to your address, phone number, sales order to reschedule.

- If your delivery date was not confirmed at time of sale, please allow up to 14 days for delivery based on manufacturers availability.

- Any delivery deemed unsafe to your property or our delivery team may not be performed and may require a third party to crane the appliances at an additional expense to you.

-Problems or damage to your property caused by our delivery team must be reported to our delivery drivers at the time of delivery. Please call 239-971-1030.

-We gladly accept the following forms of payment: American Express, MasterCard, Visa, Discover, or certified check.

-The customer or agent authorized by the customer must sign for all products. Products will not be left without a signature and confirmed that product was received in good condition. All authorized agents must be 18 years old.

-When using a freight forwarder, Fuse Specialty Appliances' ownership of the merchandise passes to you or the freight company at the time of delivery to the freight forwarder or pick up from Fuse's warehouse. Freight claims should be made with the transport company for any damages.

CANCELLATIONS

Returns & Cancellations are subject to approval by Fuse Management. If approved, there will be a minimum 30% restocking fee. Special orders, accessories, ventilation, and customized product cannot be cancelled.

SERVICE

-If merchandise is received defective or damaged, the defect or damage must be reported at time of delivery or receipt of merchandise by calling customer service at **800-280-0091**.

-Fuse will be responsible for the pickup and re-delivery of any service or ex-change item provided the item was delivered by Fuse.

-A service technician will always be the first resort to ensure simple settings or adjustments (including panel replacements) will not resolve the issue.

-If a service technician is able to resolve the issue. This will satisfy the merchandise being received in good condition.

3.5 cu.ft Long Vent Electric Stacked Laundry Center 9 Wash cycles and AutoDry™

Ideal for apartment or condominium living, an electric stacked washer and dryer combination with a long vent offers great washing and drying performance even when installation requires a long vent system. The washer with fabric softener dispenser releases fabric softener at just the right time and the dryer automatically senses when clothes are ready and stops the cycle.

Features:

- Dual action Agitator with Fabric Softener Dispenser: Get dual action cleaning and convenient fabric softener dispensing at just the right time when you fill this cap with softener before the cycle begins.
- White Porcelain Basket: Keep your washer looking good thanks to the durable finish that resists scratches, chemicals and rust.
- AutoDry™ Drying System: Help prevent overdrying with the AutoDry™ drying system that senses when clothes have reached the right moisture content and stops the cycle.
- 4 Drying Cycles: Choose the right setting for each load when you dry with Normal, Delicate, Air Only or Timed Dry cycles.
- 3.5 cu. ft. Washer Capacity: Get the space you need to easily wash everyday loads with a 3.5 cu. ft. capacity washer.
- 5.9 cu. ft. Dryer Capacity: Get the space you need to easily dry everyday loads with a 5.9 cu. ft. capacity dryer.
- Bleach Dispenser: Bleach is automatically added and diluted at the beginning of the wash cycle so you don't have to worry about adding it later.
- Wrinkle Shield™ Option: Help prevent wrinkles from setting into your clean clothes with intermittent tumbling after the dryer cycle ends.
- Long Vent Design: Enjoy great drying performance even when your space requires a long vent system. Ideal for apartment or condominium living, the 125 ft. vent gives you installation flexibility when you need it.

24" Stainless Steel Dishwasher with AI Intelligent Wash - 47 dBA

Adapts to each day's dishes with the 24" Stainless Steel Dishwasher with AI Intelligent Wash. The Sensor Cycle is designed to adjust wash action based on soil level, load size, and water temperature to ensure your dishes come out clean. Flexible capacity allows you to fit the dishes your family piles up and the Quick Wash Cycle gets them clean in about an hour.

Fingerprint Resistant Stainless Steel

Dimensions

Width: 23.875 in

Height: 33.625 in

Depth: 26.75 in

Features:

- Get a clever clean with Sensor Cycle.: Don't stress over settings. Sensor Cycle uses an AI Intelligent Wash designed with sensors that adjust wash action based on soil level, load size, and water temperature to ensure your dishes come out clean.
- Flexible Capacity to fit the dishes your family piles up: Flexible Capacity like a third level utensil rack, adjustable second rack and collapsible tines ensure there's room for whatever the day brings.
- Get dishes clean in about an hour with the Quick Wash Cycle.: From dusting off the hand-me-down-holiday tray to getting your favorite bowls back in order, the Quick Wash Cycle takes care of your day's dishes in about an hour.
- Dissolve stuck-on-food without extra steps with the Soak & Clean Cycle: The Soak & Clean Cycle combines presoak and wash into one cycle that dissolves stuck-on-food so you can skip extra steps.
- Run your dishwasher without disrupting family time.: Run your dishwasher without disrupting family time with a sound rating of 47 dBAs.
- Normal Cycle with Soil Sensors tracks soil levels to keep dishes clean.: The Normal Cycle with Soil Sensors measure your day's dishes to ensure a thorough clean by using a soil sensor that determines how dirty dishes are and increases wash action as needed.
- Eco Series: Designed with efficiency in mind. Saving you water, energy and money with quality wash and dry performance.
- Get peace of mind with the Leak Identification System.: Get peace of mind with a Leak Identification System that helps detect most types of leaks. If the system detects a problem, a light will flash on the front of the dishwasher to alert you, and the dishwasher will proceed to drain water from the tub.*
- Use clean, dry dishes straight from the dishwasher with Heated Dry Option.: The Heated Dry Option uses added drying heat to let you use clean, dry dishes straight from the dishwasher.
- Kill 99.999% of food based bacteria with the Sani Rinse Option.: The Sani Rinse Option sanitizes dishes by eliminating 99.999% of food based bacteria.
- Help cut away grease and grime with a high temperature wash.: The High Temperature Wash Option increases the heat to help cut away stubborn grease and food grime.
- Resists fingerprints and smudges with an easy-to-clean finish.: Available in black stainless and stainless finishes, the easy-to-clean exterior resists fingerprints and smudges.
- Let the Heavy Cycle handle hard-to-clean dishes.: The Heavy Cycle uses extra cycle time to tackle heavily soiled and hard-to-clean dishes.

4.5 cu. ft. Smart Front Load ENERGY STAR® Washer with FreshFlow™ Vent System

This front load washer has a trio of freshness features with The FreshFlow™ Vent System. It's the first fan-powered system with antimicrobial protection designed to help keep your clothes and washer fresh. The FanFresh® Option keeps clothes fresh in the washer. The Dry Drum Cycle reduces excess moisture in the drum and door. And the Antimicrobial rubber seal helps prevent the growth of odor-causing bacteria.

White
Dimensions
Width: 27 in
Height: 39 in
Depth: 31.5625 in

Features:

- **FreshFlow™ Vent System:** The FreshFlow™ Vent System is a trio of freshness features that helps keep your clothes and washer fresh. It's the first fan-powered system with the FanFresh® Option, Dry Drum Cycle, and Antimicrobial Gasket.
- **Dry Drum Cycle:** After you take the clothes out, close your washer door and select the Dry Drum Cycle. A powerful fan reduces excess moisture from the drum, rubber gasket and door.
- **FanFresh® Option:** Keep your clothes fresh in the washer after a cycle. The FanFresh® Option uses a built-in fan and periodic tumbling to keep your just-washed clothes fresh until they're ready for the dryer, using less energy than you would re-washing your clothes.*
- **Antimicrobial Protection:** Antimicrobial protection on the rubber seal helps keep your washer fresh by preventing the growth of odor-causing bacteria and mold.
- **AI Intelligent Wash:** Simplify your laundry routine with intelligent wash technology. It uses sensors to detect load size and fabric type, then automatically adjusts water levels, temperature, and wash actions for ideal fabric care and efficient cleaning performance.
- **Quick Wash & Dry:** Finish laundry in less than 1 hour by pairing the 25 minute Quick Wash cycle with the 30 minute timed dry.* Experience the ultimate time-saving duo for hassle-free laundry days.
- **Quick Wash Cycle:** Save time in the laundry room and wash a full-sized load fast with the 25 minute Quick Wash Cycle.*
- **4.5 cu. ft. Capacity:** Get enough space to handle larger loads with 4.5 Cu. Ft. Capacity.
- **Smart Features with Whirlpool® App:** Be in control and stay connected from anywhere. The Whirlpool® App lets you start, pause, track progress and receive notifications when you're away, so you can manage laundry day right from your smartphone.*
- **Cycle Notification:** Stay on top of your laundry with cycle notifications to ensure finished loads aren't left behind.*
- **Stain Guide:** Get step-by-step instructions based on your fabric type in the Stain Guide to take on everyday stains like coffee, grass, mud and more.*
- **Voice Control:** Control your smart washer or dryer hands-free with simple voice commands using a voice-enabled device.*
- **Family Share:** Easily add family members to your Household in the Whirlpool® App, allowing shared access to all the connected Whirlpool® appliances associated with your account. Now, anyone can start the machine, receive notifications, and create their favorite cycles right from the app.*
- **Specialty Cycles:** Use the Whirlpool® app to get access to additional cycles not available directly on your appliance, including cycles
