SANIBEL FIRE & RESCUE DISTRICT

Organizational Chart

Effective January 1, 2027

DIRECT REPORTING

Each connected position reports to the role above it. Both Assistant Chiefs coordinate with the Deputy Chief and report directly to the Fire Chief.

REPORTING RELATIONSHIPS AND COMMAND AUTHORITY

The Deputy Chief and both Assistant Chiefs report directly to the Fire Chief. The Deputy Chief coordinates operational needs with the Assistant Chiefs; the Fire Chief directs their assignments and priorities. When designated by the Fire Chief as Acting Fire Chief, the Deputy Chief assumes supervisory authority over both Assistant Chiefs for that period.
